Sponsorship Guide

Support the event and take advantage of getting connected with your target audience!

The United Scientific Group (USG) organizes interdisciplinary International conferences to show case on cutting-edge basic and applied research outcomes within engineering, life sciences including chemistry and other diverse role of science and technology in society.

The REN-2024 three-day conference will give attendees a chance to interact, learn, and engage with the business industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, and other necessary management for the scientific gathering.
